

Hwam 3110 Wall Hung Installation

Customer Aspiration: To make a feature wall within a plain living room.

Special requirements: Zclad the wall to help to create a large fireplace feature.

The [Hwam 3110](#) woodburner was ideal for making a statement. The Zclad, stone mosaic wall, helps to add to the feature and brings texture and warmth into the room. Having the stove wall hung keeps the room feeling large and airy.
