

Cream Everhot 110 in Cornwall

This beautiful kitchen in Newquay is kept cosy with the ever popular Everhot 110 in Cream. The cream is by far the best selling Everhot and it is understandable seeing it here, set off perfectly with the oak worktops and duck egg blue tiles.

Owner Sylvia is over the moon with her new electric oven, "the Everhot is very forgiving of my relaxed attitude to timing - before it was not cooked or cremated, now its perfect every time!"
