

Charnwood C-Six

charnwood 

The Charnwood C-Six has all the features of the C-Four but with a slightly higher output it is suited to a larger room. Featuring one single air control and an integrated outlet for ducting external air, the C-Six burns exceptionally clean with outstanding efficiency. The stove is also DEFRA exempt for burning wood in smoke control areas. The Charnwood C series is available with a low stand or a log store base and in a choice of 8 Charnwood colours.
