

Charnwood Cove 1

charnwood 

The Charnwood Cove 1 stove is the smallest in the Cove family. With simple clean lines and a single door, giving an excellent view of the fire, the Cove 1 is ideal for the smaller room. It has the features of the Charnwood Cove 2 and 3 but with an output of 4kw it is particularly suited to smaller spaces. The Cove range is available with a low stand, log store or pedestal base and in a choice of 8 Charnwood colours.

The option of matching or contrasting convection panels allow you to create a bespoke finish to your stove.

For all Cove range - The Cove range is available with low, low arch, midi, log store or pedestal stands and in a choice of 8 Charnwood colours.
