

Charnwood Island III

charnwood 

The Charnwood Island III is the largest stove in the Island collection. It's majestic proportions make it ideal for larger rooms and open plan areas. This stove can take an incredible log length of over half a metre, allowing Charnwood's largest ever view of the fire. A true wide screen experience. The Island range is now available with high legs or a log store base and a choice of 8 Charnwood colours.
