

Everhot 90 Series

The Everhot 90 Series is beautifully designed and elegantly proportioned for the modern kitchen. With two good sized ovens (roasting and slow cooking) and cast iron hot and simmer plates, the 90 series is a perfect choice for families of all sizes. You have two options to choose from: the Everhot 90+ or Everhot 90i. The width makes these cookers the ideal replacement for traditional ranges, often built to this size. The easy to use controls are accessed from behind the small cast iron door on the front of the cooker.

Everhot 90i

The Everhot 90+ benefits from an additional cast iron simmer plate conveniently located under a second stainless steel lid. This gives the cooker a beautifully balanced look and provides useful additional cooking space. If you decide that you do not need the second simmer plate switched on continuously, it is a simple task to switch it back on when you need it.

The cost of the EVERHOT 90+ is from £6,940
