

Scan 66-5

The Scan 66-5 comes on a variety of bases including this wonderful wave design and is available in black, white or Dusky Green. It's quirky shape is proving popular in the UK market and is a versatile little stove.

The organic shape of Scan 66 creates a beautiful frame around the fire, and the view to the flames is maximised through the use of glass in the log retainer. Hang it on the wall or choose between different base options.

This woodburner already meets 2022 emissions regulations.
