

SCAN 65

Clean lines and simple design give you a piece of furniture that will complement any existing decor regardless of style.

Scan 65 is a medium-sized stove with large glass door providing a perfect view of the flames. Natural stones can be integrated in the stove to retain its pure expression.

It is available with or without side windows. Scan Soft-close system is standard on most of the models. This series comes with a variety of bases and an oven.

This woodburner already meets 2022 emissions regulations.
