

Rais Visio 3:1 three sided woodburner

With extra depth and glass on three sides, the distinctive yet discreet insert RAIS Visio 3:1 allows you to enjoy the beautiful fire in two rooms at the same time. The design is elegantly underplayed and enhance the experience of the flickering flames. Open the door easily by pushing it upwards. The combustion is highly efficient, and allows you to enjoy a comfortable, even heat.

Please note the high efficiency of 80 %.

The RAIS Visio 3:1 exceeds 2022 emission regulations.
