

Contura 690 Style

Contura

The Contura 690 Style is a 2022 regulation beating woodburner which sits in our Ecodesign range, with excellent efficiency it also has the benefit of low distances to combustibles. With a variety of options including black or silver, door options and integral log store.

You can see a number of woodburners from this range in our Wadebridge showroom.

The 600 range comes in a variety of sizes and finishes including Artstone, soapstone and steel.
