## **Contura 870G Style**

Because the Contura 870G Style sits on a pedestal, its generous glass door really catches the eye. A turntable (optional) lets you effortlessly turn the stove to obtain the best view of the fire. A practical stove that easily finds a place in your home.

Design features include:

- Autostarter for fast fire-lighting
- · A booster to revive embers
- · A silently sliding ash pan

You can find out more about this fire and the rest of the 800 range here
