

Contura 890 Style

Contura

A stove to impress, but still in an easily-placed format. The tall 890 spreads warmth and cosiness all around and will be a natural feature for your family to gather around. A stove with a distinct presence in any interior.

The entire Contura range already meets Government Regulations for emissions being introduced in 2022

Design features include:

- Autostarter for fast fire-lighting
- A booster to revive embers
- A silently sliding ash pan

You can find out more about this fire and the rest of the 800 range [here](#)
